Made-to-Measure Curtains, Blinds & Upholstery — Crafted for Your Projects

Welcome to Oro Decor, where elegance meets precision.

We specialise exclusively in Made-to-Measure curtains, blinds, and upholstery, crafted to elevate interiors across luxury residential and commercial spaces. With an unwavering focus on quality, customisation, and design, we partner with interior designers to create refined window treatments and upholstery solutions that reflect individual style and sophisticated living.

Our Ethos

Our mission is to be the trusted partner for interior designers, delivering customised curtains, blinds, and upholstery that balance beauty with functionality. We strive to offer an exceptional selection of high-quality fabrics and styling options, streamline the furnishing journey with comprehensive end-to-end support, and ensure precision in every detail. Our commitment is to bring the designer's vision to life while aligning with their clients' lifestyle and needs.

Why Partner With Us?

At the heart of our offering is an exclusive fabric library, featuring everything from classic textures to bold jacquards—ensuring something unique for every project. We provide a wide range of styles and complete customisation to reflect your vision. From site measurements to production, installation, and after-sales support, our start-to-finish execution delivers a seamless experience for designers and their clients. With extensive experience handling large-scale residential projects, boutique homes, and premium hospitality spaces, we pride ourselves on strict adherence to project timelines and deliverables.

Designer Benefits

Trade Pricing: Competitive rates exclusively for interior designers, allowing you to offer cost savings to your clients.

Dedicated Project Manager: A single point of contact for seamless communication and smooth project execution.

Sample Booklets & Swatches: Available upon request to help your clients make informed fabric choices from the comfort of their homes.

Exclusive Textile Collections: Access to unique and exclusive fabrics not available through other vendors.

Custom Mood Boards & Mockups: Tailored design concepts and physical samples to bring your ideas to life (on request).

Flexible Production Schedules: We accommodate tight timelines upon request.

Brands We Offer

Project Execution Across Multiple Locations

We provide a streamlined, stress-free experience for interior designers managing projects across various cities and countries. While all our products are thoughtfully designed, developed, and manufactured in India, we have skilled teams based in other countries as well to support on-ground execution.

Our local teams are equipped to:

- Take accurate site measurements
- Install our complete range of products
- Carry out on-site alterations (if required)
- Install all associated hardware
- Provide after-sales support

Domestic Network

Our dedicated network allows you to ensure consistency in design, finish, and quality across the country.

Sustainability & Ethical Practices

At Oro Decor, we believe in conscious luxury — where elegance and responsibility go hand-in-hand. Our manufacturing facility, operates with the highest levels of technical and social compliance. We are proud to be **SMETA-compliant** and **OEKO-TEX®** certified, adhering to international quality, safety, and sustainability standards. Regular audits help us maintain transparency and excellence across our operations. From using safe, eco-friendly materials to minimising waste and upholding fair labour practices, we are committed to crafting beautiful products with integrity. For us, true luxury lies not only in design and detail — but in how thoughtfully each product is made.
